Name: _____ Class: _____ Date: _____

Independent KCSE-style practice. Not issued, endorsed or predicted by KNEC. These are original questions, not leaked or past official papers. Component numbering is checked against the KNEC 2026 timetable. A teacher should review these practice materials before formal classroom assessment.

CANDIDATE INSTRUCTIONS

Answer question 1, question 2 and ONE option in question 3. Each response carries 20 marks. Aim for about 400–450 words per response. Use your lawfully obtained set texts for literature revision; no copyrighted extracts are reproduced. Questions are original thematic practice and not predictions.

Use a separate answer booklet. Show working where appropriate. The marking guidance begins after the END OF QUESTIONS page; do not consult it until you finish. Practical and project components require the stated equipment and teacher supervision, not merely a printed worksheet.

Three responses required.

1. IMAGINATIVE / DISCURSIVE WRITING. Choose ONE: (a) Write a story ending: “Only then did I understand why she had kept the receipt.” OR (b) Discuss the claim that practical skills are as important as examination grades. [20 marks]

MARKING GUIDANCE

English • Paper 3 • Set 01

Suggested answers and assessment guidance, not an official marking scheme. Accept equivalent correct reasoning, valid examples and properly justified alternative methods. Marks for an item must not exceed its printed allocation. For essays use relevant textual evidence and the rubric; no plot summary alone.

COMPOSITION AND SET-TEXT ESSAYS

1. (20 marks) Assess as a complete composition: content/development 8, organisation/coherence 4, language/accuracy 6, originality and appropriate style 2. Story must naturally lead to the exact ending; discursive essay must engage both skills and grades with reasoned examples. Do not award marks merely for length.

2. (20 marks) Introduction 2, four distinct well-developed points with accurate named incidents and explanation 12 (3 each), conclusion 2, language/coherence 4. Relevant evidence may concern Nicole, the students' accountability initiative and resistance from municipal officials. Assess against the actual text; do not invent dialogue or reward unsupported general statements.

3. (20 marks) Introduction 2; four relevant developed textual points, each accurate evidence plus explanation 12; conclusion 2; language/coherence 4. Option (a): evaluate Ono's retrospective narration and responsibility, not a simple chronology. (b): use Mbane's vulnerability and treatment by others with accurate evidence. (c): connect allegorical rule and dissent to specific incidents. Teacher must verify textual detail; alternative valid interpretations accepted.

REVISION CHECK

Mark your work, list three misconceptions, revise those topics and attempt the incorrect questions again without the guide. These topics are revision priorities, not a forecast of the real examination.
